Winner in the float parade is this great entry of the Junior class. The giant Bulldog is taking aim on the crown with a cannon. The floats are made of paper flowers - thousands of them.

Second place winner - the Freshman float was judged second place. A card act was a new innovation. The giant head of a football player was in paper flowers. The cards read "we have a good head", then changed to "on our shoulders".

# Halloween

We salute the spirit of fun and community spirit that makes Hallowe'en a festival attractive to youngsters and adults alike: the goblin parade, the costumes that are more imaginative each year and, most of all, the effort of the local policemen who organize the event, gather the prizes and help run the evening's activities. The young participants in the Hallowe'en fun coming up know the local police officer for what he truly is - one of the best friends the children have in town. Best wishes from Little Bay for a colorful evening of fun!

## MRS. SARGENT APPEARS IN MARION

"Civic and Political Involvement" was discussed by Mrs. Francis W. Sargent, wife of the Governor of Massachusetts, at a coffee hour held recently in the home of Mrs. Albert F. Ford, II, 1 West Drive, East Marion. The First Lady was the guest of honor at the event.

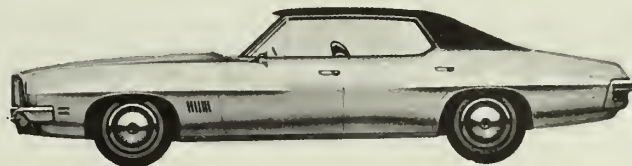

Approximately 100 guests participated in an informal question and answer session which concluded the afternoon.

## Mattapoissett Woman's Club

Humor and sorrow can each be found in the inscriptions taken from old gravestones, as shown by Mrs. Everett Case in her program as presented to the Mattapoissett Woman's Club on October 22nd. She brought with her a number of "rubblings" - prints made on rice paper from the stones by

The rubbings serve to preserve the engravers' work for several purposes: the historical value, the artistic value, and the preservation of the epitaphs themselves.

Members of the Woman's Club voted to send a donation to Old Rochester Regional High School to help on the expenses of sponsoring a student's trip to the Presidential Classroom. Also, a basket was passed around for contributions to purchase supplies for the boxes sent annually at Christmastime to the Veterans' Hospital.

The tea committee with Mrs. Edward McCarthy as chairman arranged a very attractive table with a centerpiece of bright orange and yellow fall flowers.

..... So put the dinner back in the oven this Sunday and come to Old Rochester Regional High School to hear John Pandolfi and his boys put it all together musically for all of us at 3:00 P.M. Musicians are coming from as great a distance as Lowell to play in this unique band, and there are still some tickets available at the door to hear this program. A stunning highlight of this first concert will be the guest appearance of Miss Ann Marguerite Michaud, the seventeen-year old harpist who recently soloed with the New Bedford Symphony.

Come hear this excellent expression of classical and popular music -- and come see John's new tuxedo. It's not leopard skin but it's nice.

## Rehearsals Begin

### WAREHAM'S JUNIOR MISS PAGEANT

Rehearsals will be started this weekend at Old Rochester Regional High School for the upcoming Wareham Junior Miss Pageant. This year's pageant will be held on Saturday, November 7th, when high school senior girls representing three high schools in the area will compete for the title. The Regional Scholarship Club annually sponsors this event and will present awards in many categories prior to the announcement of the new winner. Special awards will be made to honor competitions in the Junior Miss Pageant which will include Creative & Performing

Arts Award, Poise & Appearance Award, Physical Fitness Award, Scholastic Achievement Award, first and second runner-up awards; along with the coveted Miss Congeniality and the selection of the new 1970 Junior Miss.

Pageant director Rita Blair announces that the following girls have indicated their desire to participate in this annual competition. From Bourne High School are Vicki Brown, Gretchen Cease, Avis Vann; Old Rochester Regional High School, Sharon Bowser, Linda Perry and Nancy Silvestri; Wareham High, Susan Atwood, Paula Scicholone, Becky Smith, Deborah Thatcher and Deborah Walsh. Additional contestants will be announced at a later date. For further information interested senior girls should contact Rita L. Blair, 295-1482.

The Junior Miss Pageant affords many opportunities to all Senior High School girls who would like to further their careers through scholarship awards. As they compete on the local level the contestants have participated in a National program and Wareham's Junior Miss will compete in January for the title of Massachusetts Junior Miss and possibly the competition held in Mobile, Alabama for America's Junior Miss.

This year's pageant will present keen competition as well as an evening of enjoyment for all those attending on November 7th. Tickets may be purchased from any contestant or club member.

On Wednesday afternoon the Junior and Senior girls of Bourne High School will view

## Homecoming at O.R.

### "I LOVE BULLDOG DAY"

The halftime color and parade furnished the only cheer for Old Rochester fans as the well drilled squad from Somerset dominated the gridiron in all departments. The Blue Raiders stole the show as they roamed almost at will through the Bulldog line scoring 32 points to 0.

The halftime show was spectacular featuring performances by both marching bands. The Old Rochester Band performed extremely well and the Somerset Band was colorful with banners flying and played with matching excellence.

The float parade by the competing classes at the Regional School was spectacular. The young decorators show skill to be envied by far more mature people as they mounted very beautiful floats. Fortunately, the day was fair because the floats made of paper flowers would be shortlived in the rain. The Junior float featuring a giant Bulldog shooting a cannon at a crown was awarded top honors by the judges, Miss Etta Hix Allen, principal of Sippican School, Marion; Mr. Robert Blumenthal, principal of Rochester Memorial School; and Mr. Cuthbert Tunstall, retired head of the Industrial Arts Department at Old Rochester. The Freshman class float was runner-up. It featured a large head repre-

The Homecoming Queen was crowned by Mr. Robert Gardner, athletic director. Kathy Monteiro of Mattapoisett was chosen Queen. Karen Andrews, Jody Mort, Marie Odile Couderc, Jerri Oliva and Betty Sears formed her court. The Junior class won the prize for the largest ticket sale.

The Somerset football team had reason to enjoy "I Love Bulldog Day" more than most. They jumped into a quick lead with a 67-yard run by Berube. Somerset scored 2 touchdowns in the first period, one in the second and two in the third period. Three touchdown by Somerset were nullified by penalties.

Somerset's quarterback Driscoll accounted for 2 touchdowns. Joe Berube scored on the long run in the opening minutes. Richard Ferreira caught a Driscoll pass to score in the third period. Ray Kowalski, a hard running fullback, scored the final points in the third quarter.

Old Rochester gained 95 yards and eight

first downs. Somerset gained 349 yards and 17 first downs. Reilly attempted 17 passes and completed 4. Driscoll was 4

this auditorium at O.R.R.H.S. cannot be filled Sunday afternoon, November 1, at 3:00 for the opening concert of the great Regional Symphonic Band's 1970-1971 season conducted by John R. Pandolfi.

for 10 attempts.

Richard Reilly provided a thrill for the home fans when he intercepted a Raider pass and ran it for long yardage before he was pushed out of bounds as the game ended.

Bill Knapton, Danny Sullivan and Richard Mott did most of the ball carrying for O.R.

The defeat leaves Old Rochester 1 and 2 in the Narragansett League. Saturday's game is at Seekonk at 1:30 P.M.

## Letter to The Editor

As students in the senior course in Contemporary Affairs at Old Rochester Regional High School we are studying, among other things, various aspects of government. We have just come across some voting statistics for Massachusetts and for the three towns in our school district for 1968 (a presidential election year), for 1969 (an off-year), and for the 12th District primaries in 1970 (mid-term election). These are shocking statistics for a democracy, even though the weather was bad in some cases. We can not afford to be fair weather citizens!

In some Communist countries the party candidate is alleged to get 125 or 130% of the vote! We don't suggest that for the United States but every vote does count. This letter is an urgent appeal to our parents and all registered voters to go to the polls on November 3rd. Unless we Americans care enough to participate in the democratic process by voting, we can hardly complain of our government.

Here are the reasons for our concern:

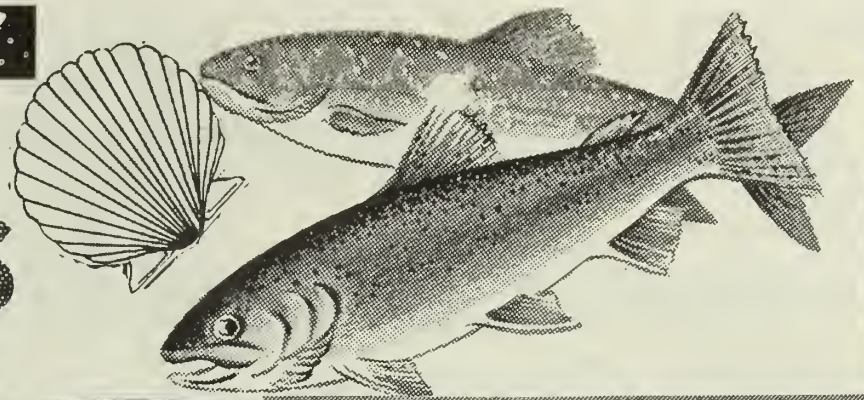

A tremendous turnout of youngsters participated in the "Bicycle Safety Program" held Saturday on the Center School grounds. Young riders brought their bikes to be inspected, registered and to run through driving courses to test their skill. Top part of huge crowd of participants.

Lower picture shows Mattapoisett police and volunteers inspecting bicycles for equipment and safety.

# Auto insurance must cost you more in 1971.

(If you can get it at all.)

Regardless of the outcome of the current dispute over automobile insurance rates in Massachusetts, one reality faces everyone. If insurance coverage is available at all, it's a sure bet that — of necessity — it will cost more. Why?

First, the new "no fault" law — as enacted — calls for a 15 per cent reduction on your **total** automobile insurance bill next year. That went beyond the intent of the original measure, which would have provided a 15 per cent reduction **only on premiums for compulsory bodily injury coverage**. That portion of the system will be more efficient, since it will reduce the excessive cost of determining fault. Fewer court actions will mean less cost to the insurance companies, and in turn to the motorist.

While the insurance companies oppose the **blanket** 15 per cent reduction as economically impossible, **and because the law affected only compulsory insurance**, the companies **firmly support** the cut in rates for bodily injury coverage, despite the rising costs of medical care.

As the battle to resolve the issue continues, one fact remains: **Automobile insurance will cost more in Massachusetts in the coming year**. The reasons are tied to the rising cost of living, which long ago became a fact of life to everyone.

The **blanket** 15 per cent reduction voted by the Legislature fails to face reality. Despite the legislator's **promises**, they have failed to face the facts. Here are some pertinent facts, in answer to "most asked" questions:

**How has the cost of medical care gone up in recent years?** Figures show that the cost of operating 50 hospitals throughout Massachusetts increased 106 per cent from 1960 to 1969, and rates increased again this month.

**What does auto insurance pay for?** Auto insurance is, in reality, payment for services of other industries where, in every case, costs are up. Examples include the cost of running hospitals, of course, but also expensive medical attention, garage work, replacement auto parts, and yes, even towing.

**What did the original reduction on compulsory mean?** The 15 per cent rate reduction for compulsory, the key provision of the reform measure introduced in the Legislature, would have replaced an increase of 30 per cent necessary under the old system — the one without "no fault" provisions. For example, a person who paid a 1970 rate of \$60 for compulsory coverage will pay \$51 for the same type coverage in 1971 — **if he can get insurance at all** — rather than the \$78 which would have been necessary without "no fault" control.

**Why must property damage and collision rates go up?** Primarily because of the tremendous increase in the cost of replacement auto parts and repair services. For example, a grill on a 1968 Ford LTD cost \$49.90 in 1968. In 1970 the grill is \$104.55 — **up over 100 per cent**.

Also, the hourly labor charge for mechanics who work on autos has gone from \$5 in 1964 to more than \$8 today — **an increase of over 60 per cent**.

**Why must comprehensive and theft insurance rates go up?** The rate of theft of automobiles in Massachusetts is twice the national average, and highest in the nation. The FBI's 1968 crime report shows a national average theft rate of 389.1 autos per 100,000 population. The theft rate in Massachusetts per 100,000 population was 806.6 autos the same year.

Under comprehensive coverage, a replacement windshield has increased in price 29 per cent in the last three years.

**What's the story on auto insurance rates during the current inflationary period?** Between January 1, 1967, and today, the average statewide rate for liability and physical damage protection has gone from \$196.19 to \$228.07, **an increase of less than 17 per cent**.

If you want automobile insurance in 1971, urge your legislators to stick to the facts — not false promises they can't keep.

## Looking Glass Players

COMING: "CHARLEY'S AUNT"

It's that time of year again - the smell of production is in the air backstage at Old Rochester Regional High School - scenery's being painted, lines are being learned, costumes are being sketched, anguished whisperings of "only four weeks till..." and "I don't know, go ask Mrs. Gaucher" and "Hey, Mrs. Gaucher..." and "I wish my name were anything but Mrs. Gaucher" are floating about. All this is the Looking Glass Players and their director, Nancylee Gaucher, busily working towards their fall production of "Charley's Aunt". They will be presenting the original English comedy on November 20th at 8:00 P.M. in the Old Rochester auditorium. Everyone is advised to keep in mind the 20th of November as it

# SOME THING GONE FOREVER

Every home is a collection of treasures, replaceable at great expense or irreplaceable at any price. There is no sadder day than the morning after the thief has left. You can protect your home against the ever mounting threat of robbery. Professional thieves can be stopped by a professionally installed alarm system. What the hoodlum fears most is noise that will attract attention and increase his chance of being caught. Many homes in this town are now protected. Some are wired directly to the police station where they are monitored 24 hours a day.

Benco Security Systems is your most experienced designer of alarm systems. We are consulted by banks, credit unions, department stores, school systems as well as private homes and have designed systems for all of these clients. We employ bonded, trained technicians and maintain 24 hour service in unmarked vehicles.

There are alarm systems in a wide range of prices to fit a great many different needs. Complete installation can be made within 2 weeks. We invite you to phone us or stop in at our modern showroom to discuss your needs. It may well be the best few minutes you'll ever invest for the peace and security of your family and the safety of your home and belongings.

If you have a neighbor with a system, ask him about it. The chances are that it was installed by Benco because we are one of the oldest, most experienced companies in this area. Service is important. We know it and are proud of ours.

Sixty years ago women of the churches of  
New Bedford, studying the concerns of girls  
and women of our city, became convinced  
that a Young Women's Christian Association  
was needed in this rapidly growing industrial  
community. By May 1911 the Massachusetts  
Legislature granted a charter to the New  
Bedford YWCA.

Over the years as the community has adapted  
to social and economic changes, so the re-  
sponsible members of our YWCA have adapted  
the program of the Association to the physical,  
social, mental and spiritual needs of women  
and girls, and have been involved in the civic  
concern of the community.

Membership is open to any women or any  
girl who wishes to be related to the YWCA  
for one or more of these reasons: to partici-  
pate in programs, to serve as a leader, to

### TELFAD -THIRD ANNUAL PROGRAM

Mr. Francis Brown, Manager of the New England Telephone Company in New Bedford, announces the Third Annual Telfad Program to be held in the greater New Bedford area. Nine high schools in New Bedford will participate in Telfad (telephone executive leader for a day) Program on November 17, 18 and 19.

Telfad was originated on Cape Cod 8 years ago and since that time has spread throughout the Bell System in New England and the country. This is an annual program for the benefit of the high school students. Telfad

his full potential. The program also gives the students this experience before they go on to higher education. The management of the Telephone Company has long been interested in the youth of our communities and feels very strongly as a business that we owe a certain responsibility to them, who in fact will be our leaders of tomorrow.

The Telfad agenda consists of the students being picked up in the morning by the person whose managerial position they will fill, and actually getting a first hand report about the particular department they will be heading before the job begins. It will be a unique experience for the students and probably none of them have been engaged in this type of program before. The students are chosen by the principals and faculty of their respective high schools and the choice is determined by the student's all-around ability as well as good citizenship.

The high schools represented in the greater New Bedford Telfad Program are: Bishop Stang High, Dartmouth High, Fairhaven High, Holy Family High, New Bedford High, New
